Venue

The meeting will be held in November 19-21 in Baeza (Spain). This city is included in the worlheritage list as a part a the Renaissance Monumental Ensembles of Úbeda and Baeza (<http://whc.unesco.org/en/list/522>).

The Universidad Internacional de Andalucía has got the "Antonio Machado Campus" in Baeza.

The campus of the UNIA, in addition of hosting excellent facilities for the development of academic life, is located in an important heritage site, the Jabalquinto Palace in Baeza. The rehabilitation works of the palace obtained in 2005 the Award for interventions in World Heritage Sites of the Spanish Ministry of Culture.

Accomodation:

Young researchers interested in using the University Residence Service of the Campus Antonio Machado must apply early at the following e-mail: residencia [arroba] baeza [punto] unia [punto] es

Accommodation spends will be free for all the admitted young researchers that have paid the registration fee.
